Subject: TCEQ / EPA and other Fact Sheets

Emergency Management / LEPCs:

TCEQ, EPA, and other agencies have several fact sheets that may be useful to residents within your communities. I am attaching the fact sheets. Feel free to distribute them to any distribution lists you may have within your community or county.

As always, thanks in advance. And of course, call me if there is anything I can help you with from an EPA standpoint.

With Regards, Steve
